Flying Geese

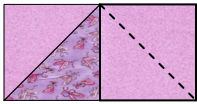

Cutting Instructions:

1. 32 – 4 1/2" x 2 1/2" rectangles (medium to dark fabrics)
2. 64 – 2 1/2" x 2 1/2" squares (a light fabric)
3. 4 – 4 1/2" x 2 1/2" rectangle (light fabric) Size to fit body of quilt
4. 4 strips – 1 1/2" x 36"

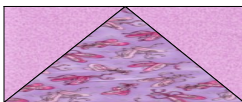

Sewing Instructions:

- Lay one 2 1/2" light square on top of one half of one 4 1/2" x 2 1/2" rectangle right sides together.
- Stitch corner to corner of the top square, starting at the upper center of the rectangle. The dashed line is the sewing line.
- Trim 1/4" seam allowance away from the sewn line, flip top fabric back and press.

- Lay a second 2 1/2" square (light fabric) right side down on the other half of the 4 1/2" x 2 1/2" rectangle.
- Stitch corner to corner of the top square from the top center to the lower right corner. Trim 1/4" seam allowance away from the sewn line, flip top fabric back and press. Save the cut triangles for another project.

Finished Flying Goose unit

- Use 16 units for the top border and 16 units for the bottom border. Arrange colors of the units in a way that is pleasing to you.
- Arrange the units so 8 are pointing to the right and 8 are pointing to the left with the points meeting in the center.
- Sew one 4 1/2" x 2 1/2" to each end of the Flying Geese strip (size to fit so strip length matches body of quilt). The strip should measure 4 1/2" x 36".

- Sew one 1 ½" x 36" strip to the top of the Flying Geese strip. Sew a second 1 ½" x 36" strip to the other side. The quilt top should now measure 36" square.

- Sew one border onto the top of the quilt. Sew the second border to the bottom of the quilt.
